Welcome!

Thank you for entrusting me with your healthcare. I take my commitment to you very seriously and I look forward to working with you to enhance your health and well-being, both now and in the future.

I appreciate that your time is important. This is why I have taken measures to ensure that our time is as focused and efficient as possible.

Enclosed you will find several forms to review and sign. Among them is a comprehensive New Patient Intake Form. This form is extremely valuable as it provides me with an overall introduction to you and your medical history. Your detailed and thoughtful responses will help me better understand your situation and allow me to develop a more thoughtful treatment plan. **Please complete all forms and bring them with you to your first visit.**

In addition, please bring any copies of any lab test results or reports you feel pertinent to our visit, so I may include them in your chart.

Some general housekeeping items:

- 1) Payment is due at the time of service. As the patient you are responsible for the total charges incurred for each visit. Currently, I only accept cash and checks. **There will be a charge of \$20 for each returned check.**
- 2) In as much as I respect your time, I ask that you respect mine as well. If you cannot make your appointment please call me at least 24 hours in advance of your scheduled appointment time. If you fail to show up for a scheduled appointment without prior notice there will be a \$25 fee.

I look forward to seeing you and working with you to achieve your health objectives. My goal is to provide you with the attention and care that exceeds your expectations.

Warm regards,

Mario E. Roxas, ND

"Whatever you can do, or dream you can, begin it. Boldness has genius, power, and magic in it."
